Dear Judy and Meghan,

Please accept this letter as my formal notice of resignation from Colchester Public Schools at the end of the 2021-2022 school year.

It has been a pleasure working with you for the past two years and I appreciate all the support and feedback you have provided me. Colchester Public Schools has had a significant impact on my educational career and I am eternally grateful for all of the opportunities CPS has given me.

Please let me know how I can be of help during this transition. I wish CPS all the best in the future.

Warm regards,

Lauren Muller
